

**POLICY 2019-04-03 – regarding parish employees’ children and St. Matthew School tuition**

**St. Matthew Parish policy regarding employees and school tuition, verified April 3, 2019, at the St. Matthew Parish Finance Council meeting:**

**Full-time parish employees do have available a 40% discount toward tuition for their children who attend St. Matthew school. Other sources of tuition assistance that are available to all St. Matthew school families should be applied for first. Should any of this tuition assistance be granted, then the discount becomes 40% of the portion of tuition not covered by the total assistance amount.**
